Late mark: 0

Submitted on Time

Submitted on time.

You need to score at least 10% of the available marks to be eligible for auto

Your Test Cases (0/0)

Tested:

```
/autograder/submission/Abs/Abs00.tst  
/autograder/submission/Abs/Abs01.tst  
/autograder/submission/AddSub/AddSub00.tst  
/autograder/submission/AddSub/AddSub01.tst  
Your own test cases for parts 1-3 have passed.
```

Your test cases for all parts will be manually reviewed for quality/completeness

1.1 Add and Subtract (0/3)

0 out of 9 tests passed

2.1 Absolute Value (0/7)

0 out of 7 tests passed

2.2 Multiply (0/10)

VM file not found

3.1 Fibonacci (0/12)

VM file not found

3.2 Array Largest (0/16)

VM file not found

4.0 Load/Compile Implementation

Implementation files not found.

Please ensure they are named correctly and placed in the correct location.

Assignment 6

● Ungraded

Student

Xinze Zhang

Total Points

- / 80 pts

Autograder Score

0.0 / 80.0

Failed Tests

1.1 Add and Subtract (0/3)
